4. Visa Information for Visitors to South Africa

Please view to see if you require a visa: <http://www.home-affairs.gov.za/index.php/types-of-visas>

Passport Holders exempt from visas for entry into South Africa

<http://www.home-affairs.gov.za/index.php/countries-exempt-from-sa-visas>

If you require an invitation letter please send a request to info@nepadsanbio.org with your name, organisation and email address.

5. Programme for the Annual Event

Updated programme information is available on <https://nepadsanbio.org/press-room-media/events/sanbio-annual-event-2018-finding-solutions-through-technology-innovations>

At the CSIR ICC, the main plenary and exhibition is at the Exhibition Hall. The other venues are at Amber and Ruby auditorium. This will be indicated on the final programme. Registration commences at 07h30 on 27 and 28 February 2018.

6. Costs for participation

For delegates, workshop costs and lunches on 27 and 28 February 2018, networking buffet in the evening of 27 February 2018, will be paid for by the hosts. All other expenses, including travel costs, accommodation, travel and medical insurance, drinks, telephone calls, laundry services, room service, mini-bar and other personal expenses are for the delegate's expense. Please ensure that you settle your bill at your accommodation venue for personal items on departure.

7. Health requirements

Many of the African Countries are endemic Yellow Fever areas and all should produce Yellow Fever vaccination certificates on arrival in South Africa. <https://www.santhnet.co.za/index.php/travel-health-advice/travel-help/vaccination-requirements.html>

8. Weather

Climate in Gauteng in February (summer) is warm with minimum temperatures at night at 12-16 degree Celsius and up to 22-24 degree Celsius during the day. Please ensure you carry a light jacket for the evening or a light raincoat as afternoon showers are likely. Air-conditioning in the meeting rooms may also be set at 20 deg Celsius so please ensure you have a light jacket if needed.

9. Electricity in South Africa and Adaptors

In South Africa the standard voltage is 230 V and the frequency is 50 Hz. For plug fittings and adaptors see <https://www.power-plugs-sockets.com/za/south-africa/>
